

# **Independent Home Visitor Service**

***Do you have 2 to 3 hours to spare once every 3 or 4 weeks?***

***Would you like to make a difference to somebody's life?***

Seeking Volunteers for the Independent Home Visitor Service to build relationships which support the best interests of clients with Learning Disability who have little or no contact with friends or relatives.

We are looking to match volunteers with the following clients:-

- 2 elderly ladies with Learning Disabilities living in a care home in the Portswood area.
- They have no other visitors and would love to have someone come to visit them
- They are looking for friendship, an opportunity to chat, and and maybe enjoy activities in the home together

If you are interested or would like further information, please contact:

Jane Gleeson (Independent Home Visitor Coordinator)
